

All I Want For Christmas Is The Downfall of Globalised Late Capitalism

Santa is tired of capitalism and is offering to bring about its downfall through the plan of one lucky little child. Join in this very special letter-writing competition and change the world!!

Schedule

15 th Aug 2014:	Santa accepting revolutionary letters all day
17 th Aug 2014:	All revolutionary plans uploaded to Facebook; voting opens
24 th Aug 2014:	Voting closes; most liked revolutionary plan is identified
1 st Oct 2014:	Five pound budget has been spent; revolution underway
25 th Dec 2014:	Downfall of globalised late capitalism achieved
1 st Jan 2015:	A happy new year will be had by all

Instructions

1. Please complete the attached form to the best of your ability. It should take no longer than five minutes. You will be asked to define what you would like to replace globalised late capitalism with, how quickly you want this to happen, what revolutionary tactics you would like to use, and how you will spend the five pound revolutionary budget.
2. Please include contact details. If you include your Facebook name it will be easier for you to find your plan and vote. If you include your email we will notify you of project updates.
3. Submit the form to Santa's Elf at harry@harrygiles.org by midnight on Friday 15th August.
4. All plans will be uploaded by Santa to facebook.com/DearAnticapitalistSanta and shared. We would ask you to help promote any plans, including yours, that you particularly like. Voting will last a week. By the end of the week, the plan with the most likes will be actioned by Santa and his elves.

Notes

- a) Please do not fill out this form if you do not want to bring about the downfall of globalised late capitalism. Santa only brings presents to good little girls, boys and genderqueers.
- b) Santa regrets that he is a culturally specific social construct. Please contact the elves for a version of this form specific to your creed or culture. Alternatively, delete all offensive references and replace them with the solstice-based custom of your choice.
