

COLOUR COMMUNICATION BADGES

Feel free to take a lanyard with three colour cards, and display the colour card which describes your **communication preferences**. You can change the colour any time depending on how you feel!

“I'm happy to chat to anyone: feel free to say hello if you like.”

“I'd prefer just to chat to people I already know, thanks – but I might say hello to a new person if I feel like it.”

“I'd prefer not to chat to anyone at the moment, please, unless I start the conversation.”

There's more information about these cards on sheets in the quiet corner. You don't have to use them if you don't want to, but please respect other people's. Feel free to use yours throughout the event if you need it, but bear in mind we have a limited supply!
